To
The Secretary to the Commissioner
for the Government of the Territories
of H. H. the Rajah of Mysore

Sir,

I have the honor to acknowledge the receipt of your Circular letter No. 5204/35 Dated the 10th Instant and to express my conviction after a years experience of the modified working of the Sudder Distillery system, that it is desirable to carry out the rules in their integrity but for the convenience of all parties concerned I would propose that notice should be given that the Rules are to be enforced from the 1st of June.

The disposal of Licenses to the highest bidder can be carried out with advantage in the Cantonment and Town of Bangalore but there may be some loss in the Talooks where there is generally but little competition owing to the consumption of Toddy having superseded that of Arrack. Since the small Stills

were abolished.

I have called upon the Executive Engineer of the Bangalore Division to prepare a valuation Estimate of Mr. Bergler's Enclosure walls and shed for the accommodation of Government Servants which I will submit for the Commissioner's consideration as it appears to me desirable to reimburse Mr. Bergler rather than throw open a building constructed entirely at his expense. The enclosures at Soonkoor, Chinnapalam, Srinivaspoor have also been constructed by Mr. Bergler but have, from the first, been declared open to all Distillers set up & this time no one has applied for permission to set up a Still any where except in Bangalore, consequently the necessity of purchasing those enclosures does not appear, or to be called for at present. The Goodibund enclosure is a Government building, which Mr. Bergler has improved, and is of course open

I have the honor to be
Sir
Your most Obed.t Servant
